June 2015

Community Swimming Pool

Preparations are in full swing for another refreshing, fun and safe summer season at the pool.

We are pleased to announce that Rose Ann Elliott has agreed to serve as Bremen's new pool manager. She brings ten years of experience managing operations at Lancaster's city pools.

Preseason preparations have also included such things as hiring the lifeguards, giving the pool bottom a fresh coat of paint, checking the pumping and filtration system, installing the snack and beverage vending machines, inspecting the safety equipment, and adding water of course!

The pool season is shorter this year, opening day being June 6, and the last day being August 9. Much of the reason behind this is the fact that Fairfield Union Schools will be resuming classes earlier in August than in prior years.

The prices for season pool passes have been reduced accordingly. The fee schedule is enclosed with this newsletter.

For questions, to purchase season passes, and to make pool party reservations, please call the pool at 740-438-8170.

Upcoming Meetings

Members of the public should feel welcome to attend and participate at the following meetings regarding Village business:

- ❖ Recreation & Facilities Committee: June 2nd at Noon.
- ❖ Zoning Committee: June 3rd at 6:30 PM
- ❖ Safety & Infrastructure Committee Special Meeting: June 4th at 6:00 PM. The topic to be discussed is how to improve traffic flow in the vicinity of Bremen Elementary School.
- ❖ Administrative Process Committee: June 4th at 7:00 PM
- ❖ Village Council: June 8th at 7:00 PM
- ❖ Dowling Park Committee: June 16th at Noon.
- ❖ Village Council Special Meeting: June 24th at 5:30 PM. The topic to be discussed is the solid waste contract.
- ❖ Financial Process Committee: June 24th at 6:00 PM

These are the meetings scheduled as of the time this newsletter is going to press. Should the need for other Village meetings arise, they will be publicized by legal advertisement in the Lancaster Eagle-Gazette.

These meetings are scheduled to be held at the municipal building, 9090 Marietta Road, SE.

Carter Street Railroad Crossing to be Renovated

Norfolk Southern is planning to refurbish the railroad crossing at Carter Street, probably during the week of June 8-12.

The crew will replace the worn out ties and replace the road pavement at the crossing. The end result should be a smoother drive across the tracks for motorists.

According to Norfolk Southern's Jacob Lamming, the renovation operation is fascinating to watch. He said it's like a rolling assembly line, performed very methodically to minimize the disruption to the community. The crossing is expected to be finished within just a few days.

Carter Street will be closed across the railroad while the work is underway each day, and might be able to be reopened for the nighttime hours.

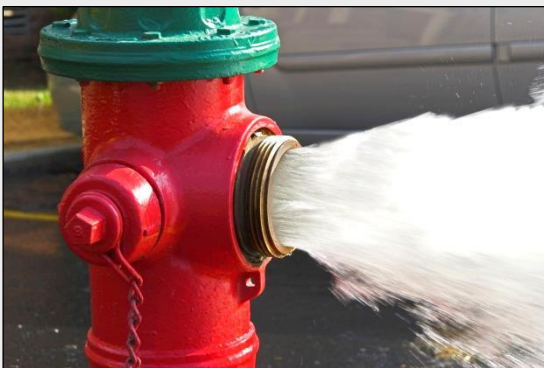

Beauty Along Bremen Streets

Have you noticed the many nice looking yards and plantings around town?

This Red Buckeye tree was in spectacular form recently along Highland Boulevard.

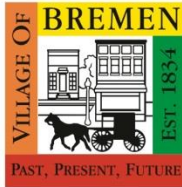

Annual Hydrant Flushing

The Village will be conducting its annual hydrant flushing program during June. It is currently anticipated that this work will be performed on June 18 and 19.

All 85 of the Village's hydrants are flushed once a year to help clear the water lines of particulates that may build up over time. Crews also check the hydrants and valves for any operational issues which need to be addressed in order to keep the hydrants in good working order.

Residents may notice a brownish tint to their water after the hydrants in their neighborhood have been flushed. If so, run the water through a tap for a few minutes and it should clear up. Residents may also want to run their washer through a rinse cycle once before doing laundry.

Village of Bremen 2015 Swimming Pool Fees
